Welcome to the Kauri Family

Kauri - Te Whakaruruhau - the great protector of the forest - referring to the many species that shelter in the arms of kauri tree.

Pukekohe Family Health Care would like to warmly welcome you to the Kauri Family (Pod).

The Kauri Family has been developed for registered patients of Chantal Koelewijn, Michael Kohlhagen and Dilmini Kalambaarachchi, to bring you into a family of Health Care professionals that are dedicated to looking after your wellbeing and working alongside you, to achieve your health goals.

You will have access to a team of personalised staff, including Patient Facilitators, Health Care Assistants, Registered Nurses, Nurse Prescribers, Nurse Practitioners and General Practitioners.

You will get to know your Kauri Pod team on a one to one basis over time, and we hope this will make you feel more part of our unique medical whanau at Pukekohe Family Health Care.

Our commitment to you...

- Appointments that work around your lifestyle - video, phone and in-person
- Clinician call back service if you are acutely unwell
- Making sure your care is provided by the right member of the team depending on your healthcare and wellness goals
- Personalised and timely support whether that be through your Health Portal, phone and at the practice.
- Co-ordinated approach to your care " *that means only tell your story once*"

Skip the wait times...

Did you know you can access top quality health care from PFHC, anywhere!

This includes

- My Health Portal (online bookings, repeat scripts and more)
- Video consults
- Phone consults

More info click [here](#)

The Kauri Team look forward to meeting you at your next visit if that be virtually or at the practice.

We are here for you during through this time to support you with your health care needs, please don't hesitate to contact us if you have any queries or concerns.

Many Thanks from the Pukekohe Family Health Care Team
